Santa Seed Heads

Materials

- Grass seeds (or similar)
- Old stocking or thin sock
- Sphagnum moss or coir
- Rubber bands
- Cup
- Decorations (googly eyes, cardboard, pipe cleaners, etc.)

Instructions

1. Cut the end off the stocking so you have about 20cm.

2. Place your seeds followed by pre-soaked moss or coir into your stocking. Secure with a rubber band
.
3. Place the seed head into a cup half filled with water

4. Decorate with whatever you have around the house to give your Santa (or Rudolf) the right look. Add a hat, nose, moustache...whatever you like!

5. Try placing some seeds in the front of the stocking to grow Santa a beard!
